OUR OPPORTUNITY TO SUPPORT RELIGIOUS LIBERTY EFFORTS is coming this January 27. People across this great nation celebrate religious liberty for many different reasons. For us as Seventh-day Adventists, we do so because it is a precious gift from God. We defend it because of the role freedom of conscience plays in prophecy. This offering helps in all aspects of this work from Sabbath Accommodations to sending our flagship magazine *Liberty* to thought leaders in our communities, and most importantly, watching our state's legislature to ensure religious freedoms are protected. Please consider these things as we plan our giving for this January 27 to Religious Liberty.

ADVENTURER FAMILY OUTREACH: The series on *Natural Approaches to the Treatment and Management of ADD/ADHD* continues on Tuesday, Feb. 12, 6:30 pm, in the Family Life Center. During each session you will receive handouts that build on the last one; there will be food demonstrations and simple healthy snacks that the whole family will love. You won't want to miss a single class!
