RELIGIOUS LIBERTY Our religious' liberty campaign continues thru the month of February. The last number of years we have seen an increase of cases that at the very core involve the Freedom of our Conscience. The fight for our religious rights has never been greater as the courts seem to be moving toward favoring discrimination over liberty. Please continue to pray for our leaders that they will be moved to protect religious liberty. You can support our church efforts to distribute Liberty magazine to our thoughts leaders by making a contribution and marking it for Religious liberty on you tithe envelope.

LIFE LINE SCREENING Five screenings will be offered that scan for potential health problems related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis.
