WFHC RADIO is in great need of more volunteers in order to keep the station up and running. Human capital is a must if we are going to stay on the air. To talk about this current challenge, we have called area churches to come and be a part of a very important meeting on Thursday, Nov. 30, 7:00 p.m. The meeting will take place in the Hendersonville Church Fellowship Hall and will focus on how we can improve our situation through active volunteers willing to faithfully give of their time and be trained in this important ministry. If you have a passion for our radio station and would like to see the ministry continue, please come and be part of this meeting.

THE CAROLINA ACTION will transition to an all-digital publication beginning January 2018. If you prefer your copy in print, you can choose to continue receiving a printed version. This allows them to print only what will be utilized, which will release funds for other methods of kingdom growth! Go to carolinasda.org. At the top of the home page click on "Subscription for Carolina Action" and make your choice of printed or emailed copy. **In January, everyone they have an email address for will receive a digital copy unless otherwise specified.** If you do not have access to the internet and want a printed copy, call the church office and Lorraine will enter it for you.
